WHAT WE OFFER

Three core service lines

Security Services

Protecting your assets, property and people with highly trained personnel, strict protocol enforcement and vigilant oversight.

Manpower Supply

Scalable, verified and skilled workforce solutions tailored to dynamic industrial, commercial and institutional requirements.

Facility Management

Seamless, safe and well-maintained environments through professional upkeep and asset care.

6,500+ personnel deployed nationwide.

Trusted since 2015.

PSARA licensed in 16 States/UTs
7 ISO & SA certifications

WHY CHOOSE US

Nationwide Reach

Capable of deploying over 6,500 skilled personnel seamlessly across India.

Proven Track Record

Delivering operational excellence and client satisfaction since 2015.

Uncompromising Standards

Complete visibility, proactive supervision and strict adherence to quality and safety.

CORE VALUES AND OPERATING PHILOSOPHY

VALUE	WHAT IT MEANS FOR OUR CLIENTS
Integrity	We do what is right and hold ourselves to truthfulness in every engagement.
Commitment	We work together and stay dedicated to each client's institutional objectives.
Accountability	We own our work, deliver on it and always remain answerable.
Excellence	We always strive for superior standards in everything we deliver.

PRINCIPLE	HOW WE APPLY IT
Proactive, Not Reactive	Identify, assess and mitigate risks before they become incidents.
Intelligence-Driven Operations	Real-time risk intelligence, threat assessment and geo-threat mapping.
Compliance-First Approach	Operations aligned with applicable Indian labour laws, the PSARA Act, the DPDP Act 2023 and ISO standards.
Technology-Integrated Solutions	Trained manpower combined with technology-driven systems.
Client-Embedded Partnership	Dedicated Facility Managers, Account Managers and Security & Services Directors work closely with the client to ensure continuous oversight, responsiveness and service excellence.

AREAS OF SPECIALISATION

What we deploy

Manpower Supply

- Highly skilled
- Skilled
- Semi-skilled
- Unskilled

Housekeeping

- Mechanised cleaning
- Manual cleaning

Cleaning & Sanitation

- Indoor
- Outdoor

Security Services

- Armed guards
- Unarmed guards
- Security Officer (SO) and Assistant Security Officer (ASO)
- Personal Security Officer (PSO)
- Quick Response Team (QRT)

Immediate replacement and force majeure response

Prompt mobilisation of replacements during absenteeism or attrition, and activation of contingency arrangements for service continuity.

OPERATIONS & TRAINING METHODOLOGY

Operational Excellence Framework: 8-Stage Methodology

Training principle: On-the-Job Training (OJT).

01

Plan

Establish clear, standardised objectives and Standard Operating Procedures (SOPs).

02

Deploy

Roll out clear functional roles, checklists and accountability matrices.

03

Supervise

Maintain daily oversight and real-time operational monitoring.

04

Record

Capture performance data, metrics and incident reports meticulously.

05

Review

Evaluate weekly scorecards and monthly Key Performance Indicator (KPI) dashboards.

06

Correct

Identify root causes immediately and deploy corrective actions.

07

Train

Deliver targeted, role-based upskilling and practical certifications.

08

Improve

Refine institutional standards and continuously optimise the operational loop.

CORE PILLARS OF THE METHODOLOGY

PILLAR	APPROACH
1. Standardise Operations	Enforce clear role definitions, robust SOPs, daily checklists and transparent reporting channels across all functions.
2. Build Capability	Deploy role-based training modules featuring practical assessments, simulation scenarios and formal certifications.
3. Improve Accountability	Maintain rigorous daily supervision, structured weekly performance reviews and monthly KPI dashboards.
4. Drive Continuous Improvement	Systematically identify operational gaps, address root causes and keep refreshing team skills.

TRAINING ARCHITECTURE

LEVEL	FOCUS	DETAILS
Level 1	Common induction for all personnel	General onboarding and core organisational standards.
Level 2	Role-specific technical and service skills	Targeted job-family training and proficiency development for security, housekeeping, medical / paramedical, technical and data-entry staff.
Level 3	Weekly talks and continuous awareness	Toolbox talks on safety, environment and corrective do's and don'ts.
Level 4	Practical assessment and certification	Validation of skills, certification and an annual refresh cycle.

ROLE-BASED TRAINING CURRICULUM

ROLE	TRAINING MODULES
All personnel	Induction; conduct; communication; emergency reporting; fire-safety awareness; first-aid awareness.
Security	Physical security; intelligence awareness; firefighting; mob handling; Quick Response Team (QRT) drills; conduct and communication.
Nursing / Paramedical	Basic Life Support (BLS), first aid and AED; infection control; emergency response; records; medical inventory.
Technical	Preventive maintenance; electrical and mechanical safety; logbook maintenance.
Admin / Data Operators	Office procedures; digital records; MIS; documentation.
Regular refreshers	Annual training; skill assessment; final proficiency certification.

HOUSEKEEPING & FACILITY MANAGEMENT: BEST PRACTICES

SOPs & Procedures

- ✓ Consistent cleaning methods
- ✓ Step-by-step instructions
- ✓ Quality-control checks
- ✓ Scheduled maintenance

Hygiene & Sanitation

- ✓ Disinfection protocols
- ✓ High-touch point cleaning
- ✓ Restroom sanitation
- ✓ Infection-control measures

Chemical Safety

- ✓ Proper chemical handling
- ✓ Use of PPE (gloves, masks)
- ✓ Correct dilution ratios
- ✓ Secure storage and labelling
- ✓ MSDS access

Waste Management

- ✓ Segregation at source (recyclable, organic, general)
- ✓ Proper disposal procedures
- ✓ Hazardous waste handling
- ✓ Waste-reduction practices

ISO STANDARDS & QUALITY CERTIFICATIONS

9001 — **ISO 9001:2015** Quality Management System

PAN-INDIA OPERATIONAL PRESENCE

17 States/UTs. One command structure.

Everest Human Resource Consultants has a strong pan-India operational footprint, supported by a branch and network office presence across 17 states/UTs. This distributed infrastructure enables us to mobilise manpower efficiently, maintain close field-level supervision, ensure local coordination, and provide timely operational and administrative support to clients across multiple locations. Our decentralised network strengthens deployment readiness, service continuity, compliance monitoring, grievance resolution, and rapid response to client requirements.

● Head Office, New Delhi ● Branch / network office States/UTs with offices are shaded.

STATUTORY COMPLIANCE MANAGEMENT FRAMEWORK

Compliance built into every contract

We follow a structured compliance and deployment framework across all assignments, encompassing:

Statutory Compliance

Adherence to all applicable labour laws, statutory registrations, wages, PF, ESIC and other regulatory requirements.

Manpower Quality

Deployment of suitably qualified, trained and thoroughly verified personnel in accordance with the requirements of the assignment.

Payroll & Attendance Management

Centralised and systematic administration of attendance, payroll, statutory deductions and related employee records.

Grievance Redressal

Dedicated mechanisms for prompt identification, escalation and resolution of employee and client grievances.

Replacement Support

Provision for timely replacement of personnel in cases of absenteeism, unsuitability, attrition or other operational requirements, ensuring continuity of services.

This framework is designed to ensure regulatory compliance, manpower reliability, operational continuity and effective contract administration throughout the deployment period.

Payroll & Wage Compliance

- ✓ Attendance reconciled with deployment register
- ✓ Basic wages and allowances correctly calculated
- ✓ Overtime calculated; weekly-off/holiday work appropriately compensated
- ✓ Statutory deductions correctly made; no unauthorised deductions
- ✓ PF and ESIC contributions reconciled; TDS applied where applicable
- ✓ Net salary reconciled with bank payment; salary paid within statutory timeline
- ✓ Salary slip generated and bank payment proof preserved

PF Compliance (for every applicable employee)

- ✓ UAN generated/verified and linked with employee records; KYC completed
- ✓ PF wages correctly determined; employee contribution deducted correctly
- ✓ Employer contribution deposited on time; ECR filed; challan generated and preserved
- ✓ Monthly payroll vs. ECR reconciliation; exit date updated promptly
- ✓ Transfer/withdrawal issues monitored and PF complaints resolved

ESIC / Medical Compliance

- Employee eligibility checked; ESIC registration and insurance number verified
- Contribution correctly calculated and deposited on time; monthly return completed
- Family details updated; ESIC card/e-Pehchan information provided
- Accident reporting mechanism established; employees informed of ESIC benefits

Working Hours & Overtime

- Shift roster prepared; duty hours recorded via biometric/manual attendance
- Weekly rest provided; reliever arrangement available
- Overtime separately recorded, authorised by a competent officer, and paid at the statutory rate
- No "12-hour shift = no overtime" assumption; night-shift arrangements documented

Occupational Safety & Health

- Site-wise risk assessment; emergency contact list; first-aid arrangement
- Drinking water, sanitation and rest facilities appropriate to deployment
- Lighting at night posts; safe guard room/bunker where applicable; PPE where required
- Heat/cold/weather protection; emergency evacuation procedure; fire-safety awareness
- Accident/incident reporting; periodic health checks as applicable

Annual Health Examination

- Annual medical calendar and employee medical database maintained, with age-wise tracking
- Health examination scheduled; medical certificate uploaded and fitness status recorded
- Follow-up for medically unfit personnel; client/site-specific medical requirements complied with

Women Employee Welfare

- Equal opportunity / non-discrimination; appropriate night-shift consent
- Safe transportation and adequate security arrangements where required
- Separate sanitation facilities where required; maternity benefits
- POSH policy and Internal Committee, wherever legally applicable, with training/awareness and a complaint mechanism

Industrial Relations & Grievance Management

- Employee grievance mechanism, grievance register and complaint acknowledgement
- Investigation and disciplinary procedure, including show-cause notice and domestic enquiry where required
- Termination checklist, full & final settlement, gratuity assessment
- Experience/service certificate, exit interview and litigation/claim register

Statutory Records & Registers Maintained

- Principal Employer work order/agreement; contractor registration/LIN/licence, wherever applicable
- Employee master register, appointment letters, attendance/muster roll
- Monthly wage register, individual wage slips, bank payment proof
- PF/ECR records and ESI contribution records
- Leave records; OT consent and OT payment records; nomination and health examination records
- Accident/incident records
- Worker deployment list and monthly compliance certificate submitted to the Principal Employer
- Half-yearly/annual statutory returns and correspondence records with the Principal Employer and Labour Department

OUR CLIENTELE
